Tracked Down: Terry Rozier, Blake Lively, Brad Marchand and more...

Terry Rozier takes the wheel of the ferry to Camp Harbor View where the Celtics guard spent the day with children from AccesSportAmerica. (Courtesy Celtics)

Celtics guard **Terry Rozier** spending the day at **Camp Harbor View** with the kids from **AccesSportAmerica**, a nonprofit organization designed to inspire people of all disabilities through high-challenge sports and training ... **Rob Gronkowski** telling **WEEL's Gerry Callahan** and **Gary Tanguay** that he's a virgin and he's saving himself for marriage. (When they asked if he had a girlfriend, 87 replied, "Nah, I'm hanging out") ... **Quentin Tarantino** opining that **David O. Russell's** two made-in-Mass. flicks, "The Fighter" and "American Hustle," will still be watched 30 years from now, but that **Ben Affleck's** Boston thriller "The Town," which he liked, "just couldn't hold up, because everybody in it is beyond gorgeous ... If you look at 'The Fighter,' and you look at those sisters, they're just so magnificent," he said. "When you see David O. Russell cast those sisters, and you see Ben Affleck cast **Blake Lively**, you can't compare the two movies. One just shows how phony the other is" ... Dorchester noir-master **Dennis Lehane**, who has a slew of TV and film projects in the works, including the script for the first Travis McGee pic and **HBO's** "Shutter Island" prequel, signing on with Hollywood powerhouse agency **CAA** to rep him ... "Ghostbusters" cast and crew, including **Melissa McCarthy, Kristen Wiig, Leslie Jones, Kate McKinnon, Neil Casey, Cecily Strong** and director **Paul Feig**, partying in the **Bristol Lounge** at the fab **Four Seasons** ... **Bruins** bad boy **Brad Marchand** showing off worse dance moves than **Tom Brady** in a video of him partying at the **Pointe Calumet Beach Club** in Quebec ... **WWE** superstar and Boston native **John Cena** giving **Deflategate** advice to Brady on **ESPN's** "SportsCenter," to wit: "Stay the course, keep doing well, and years from now we'll just wonder why we spent federal tax dollars investigating deflated footballs." ...
